My ideal Christmas On the 7th of January Russians will celebrate Christmas. I think it is a very light and kind holiday when we think about the birth of Jesus Christ. I celebrate it every year. We have a traditional Christmas dinner. Then we go for a walk and congratulate everybody we meet in the streets. I do not want to change anything in this holiday. I think it is perfect! The ideal Christmas is when all people are kind and polite, congratulate each other and make good!

Ульяна С., 6 класс, г. Апатиты, МБОУ СОШ №5

I want to give Santa Claus a toy railway , because Santa makes many toys for children and has no toys . A toy railway can be useful , because if we extend it from the bedroom to the kitchen , it will be possible to carry food on it .It will amuse anyone , because it is possible to roll other toys and set up a small station such as "Station Biscuits" or " Stop warm fireplace ".

Мария Н.П., 3 класс, п. Новый Учхоз Гатчинского района, МБОУ Войсковицкая СОШ №2

Winter is a magic time when the wonderful holiday Christmas is celebrated. For my family it is a special holiday when the whole family gets together. In the morning I help my mother about the house, and on Christmas Eve we go to the church. I hope that this year Christmas will be snowy because it is an unforgettable feeling when you return from the church smiling as if you know some secret and holding your grandma's hand, the snow crissps under your feet and there is mysterious warmth in your soul. It is a precious moment for me when my mother, father, grandparents and

elder sister are sitting at the table, telling funny stories, laughing and enjoying a tasty meal. The Christmas tree is sparkling with lights and there are presents under it. I would not like to change anything in celebrating Christmas because it is a tradition which is loved by everybody in our family. I think my ideal Christmas is the way we usually celebrate it: when we are all together, healthy and happy! Presents are not very important for me (though my sister always knows how to choose the best present for me), I prefer hugs and kisses from my nearest and dearest.

Мария Г., 5 класс, г. Саратов, МАОУ "Лицей "Солярис"

Santa deserves the best present, because he makes a lot of children happy. If only I knew what he wants! Maybe he wants a new sleigh or a new sack for presents? I think it is not an urgent need. I'm sure, doing his work he gets tired. That's why I believe he and his wife Mrs. Claus want to have a good rest. If I had a chance I would give Santa a package holiday to any exotic country. It would be unforgettable!

If I had a chance to give a present to Santa, I would give him new warm mittens. It is cold in winter and he has got a long way. He can be cold so I don't want Santa Claus to be ill. I will knit soft red mittens for him.

My christmas present for Santa is a watch. It is not the simple watch, but the magic one. It can stop the time. There are a lot of children all over the world, who is waiting a present. So Santa must visit them in a hurry. When Santa will use them, he can do everything well.

Алёна Г., 8 класс, г. Энгельс, МБОУ Гимназия №8

As New Year's Day precedes Christmas which is on the 7th of January in Russia, so it is often celebrated as a more important holiday. For me it is the most magical time of the year. We open not only a great variety of presents, but open our hearts for good deeds. In our family we had a tradition of making presents and wrapping them for our relatives and friends and also cooking cupcakes for lonely people who have no opportunity to celebrate the holiday suitably in a warm house enjoying delicious supper in the family circle. Every December my father and I buy a lot of crackers, lights, stars and baubles. Then we decorate our Christmas tree and our house. My mum prepares our family favourite dishes, fruit salad and a roast goose. In the evening we sit down to a festive table, light the candles and while eating the supper play games usually in the form of competitions previously organized by all the members of our family for the guests. I would also love to set up more family traditions, maybe going for a (hopefully snowy) walk, playing board games as a family. Concentrated family time really is what a perfect Christmas or New Year's Day is all about. In my opinion every day should be like this glorious holiday, full of hope, elation, foretaste of miracle. I wish this enchanting time would inspire people especially my close relatives and friends with belief in the realness of miracle.

София С., 5 класс, с. Нарга, МОУ Наргинская СОШ

Christmas comes. Santa delivers gifts to all the children all over the world. I 'm sure that he doesn't decorate his own Christmas tree because he hasn't any time for it. So I decided to give a present for Santa: toys and a garland for his Christmas tree. I'm happy that his Christmas tree will shine brightly.

Анастасия С., 5 класс, г. Тихорецк, МОУ СОШ №3

Dear Santa, my family and I always celebrate the New Year and Christmas. Everyone likes presents! I think the clock is the best present for you. It shows right time. I want you not to be late to children. I hope you like it. Best wishes, your Anastasia

Анна Г., 6 класс, г. Ростов-на-Дону, МАОУ лицей №27 им. Суворова

My present for Santa Claus is a typing machine. I have a letter from Santa that he wrote to me when I was little. I think he usually writes many letters to children, so he needs a lot of paper and ink. It is a great present for him.
