Dear Lily,

Thank you for your letter. I'm very happy to receive it. Christmas is very busy time for me, but I like it very much. I feel happier when I make presents for you and all children. As you know I have a list of "naughty boys and girls".

But you are always a good child. And it's very kind of you to worry about your friend. What is her name? How old is she? Write me also her address. What does she like? Does she help her mother? What present would she like to get? Answer my next question, please. It is very important. Does she love dogs? I want to present her a nice puppy with white paws. But don't tell her. It is a secret. And what about you, you are the best girl I have ever seen. It is so wonderful to have such a good friend. How lucky she is! As a reward for your care of this girl and your generous I will give you and your family a special present. I think you will be surprised.

Here my letter is coming to the end. The Elves ask me to help them. Something extraordinary has happened and I must go.

Merry Christmas to you, your parents and friends!  
Santa Clause.

December 17th

Dear Lily!

Thank you for your letter! I remember you and your tasty cookies last Christmas and your wonderful Christmas tree! Rudolph will be very glad to see you again! I know that you are a very fair, industrious and kind girl! I have already put new pink skates for you in my bag. You are sure to like them. As for your friend, Jane, I know her. This year she planted a beautiful rose in her garden. On mother's birthday Jane cooked a nice cake. She studies at school well. And on Sunday she sings in the choir. I know that Jane is longing for a new doll. Believe me, at this Christmas her dream will come true! I ask you to help Jane to decorate a Christmas tree.

See you on Christmas Eve, dear Lily! Merry Christmas to you, your younger brother and your parents.

Yours sincerely,

Santa

Dear Lily,

I am pleased to receive your letter.

I wish your Christmas to be bright,

And covered up with shining light.

I hope your dreams will all come true,

Wish many lucky days to you.

And let this winter bring you love

That would be blessed from high above,

I wish you awesome Christmas day,

And all your fears to go away.

My dear friend, amazing Christmas day

Has come to us, it is on our way.

Be healthy, happy, lucky, always smile,

Sometimes to understand it takes a while -

Believe your friends, and help them when you can,

Cuz only friendship makes us happy, man.

The wind is whispering secrets;

Its voice is soft and low.

There are white and wintry secrets

In the quiet-falling snow.

Hear secrets in the footsteps

Of the people on the street,

And in gay, ribboned packages

Of everyone you meet.

There are merry secrets twinkling

In the eyes of many a child.

Secrets kept by Mom and Daddy -

When you asked they only smiled.

Oh, our world is full of secrets,

Now steal quietly away

Till they open up like magic

On a wondrous Christmas Day!

There are gifts to buy,

And gifts to make,

But there are other gifts

worth while.

Being helpful,

Being kind,

And ready with a smile,

Being friendly,

Doing things to please -

I've made up my mind

at Christmas time

I'm giving you some of these!

Merry Christmas!

Santa Claus.

Dear Lily!

I am really happy to hear from you again. I see you've become much more serious and

grew up. When I read your letter to Mrs Claus she was crying and deeply impressed by your action. I can't give your present to your friend but her present is already ready for her and put into my sleigh. Rudolph will care about presents.

Love, Santa

Dear Lily,

Thank you for your letter! Every year I get thousands of letters from different boys and girls. Children write me about their wishes and ask me to make their desires true. You know, it is not difficult for me. I have many helpers in every city, a fast sleigh, kind reindeers and many graceful angels. I'll visit her on Christmas Eve and bring her the best toy in the world. But I'm afraid this present is so big that I'll not be able to come through the chimney. Ask her not to close the door. Merry Christmas to you Lily, your heart is very kind, that's why I'll bring you a gift too. It will be surprise for you. Good tidings for Christmas and a happy New Year!

Dear Lilly,

Thank you for your letter. It was pleasant to read it. I am glad your favourite holiday is Christmas. It is my favourite holiday too.

Last year you were a very good girl and I gave you a lot of nice presents. I hope this year you are also hardworking and help your parents and friends. From your letter I've learned that you have a friend who hasn't got many toys. You ask me to give her your presents. It's very kind of you to ask me about this. I promise I'll do. But you'll get your presents too.

Write me next year. Merry Christmas to you Lilly!

Best wishes,

Santa Claus

Dear Lily,

Thank you for you letter. It was lovely hearing from you. I see you a very kind girl and I hope that together we will be able to make Christmas bright for your friend. But it is a pity that you haven't written me her name and address. It will be easier if I knew this information. Don't worry, I'll think of something interesting and you'll pass my present and congratulations to your friend.

As far as you know I live north of the Arctic Circle, on Korvatunturi Mountain. Finland is a beautiful and highly advanced country with plenty of clean space for nature lovers. At this time of the year Finish Lapland is covered in a blanket of snow. The sun, too, is asleep, gathering strength to be able to shine night and day in the summer. My little helpers and I go for reindeer

rides whenever we have time, not only at Christmas. We chat with animals in the wood and, in summer pick wild berries in our countryside. I hope our whole planet will stay clean for a long time. You, too, can help by not throwing litter.

I told you so much about my life because I hope you'll be able to come and visit me and my helpers up here in Santa Claus Land. This is my gift for your kindness and sincerity.

Happy New Year to each and every one of you.

All the best,

Santa Claus

Dear Lily,

thanks for your letter. It's great to hear that you like Christmas. Christmas is a magnificent time. I like to decorate trees and make presents best of all. Christmas pudding is my favourite dish. But I was upset to hear that one of your friends hadn't got Christmas gift last year. I remember that one of the houses in your town had a very narrow chimney and it was very difficult for me to come down. I really tried but I couldn't. Every Christmas I eat a lot of cookies that children leave for me. Even my reindeer tell me that I am as heavy as the biggest Christmas present in the world. (Ho! Ho!Ho!) I promise, this year your friend will get her present. But how is my little secret (Ho!Ho!Ho!)

Waiting for your letters,

Santa Claus.

***Г. Кристина, 7 класс***

Dear Lily,

I'm sorry to hear that your friend didn't get any presents last Christmas. I was so busy packing all the games and toys that I completely forgot about the poor girl. Shame on me!

If you help me, this year your friend will get a lot of wonderful presents. So, what's her name? What's her address? How old is she? What's her hobby? Does she go in for sports? Does she like pets?

You know, Lily, there is another little problem. My deer run so fast that the presents sometimes fall off the sleigh. Would you like to sit in the sleigh and watch them? Besides, I'm too fat this year and don't know how I will get down the chimneys, so I'm looking for an assistant. It'll be fun, I promise!

By the way, why don't you decorate the Christmas tree and make funny Christmas presents together with your friend? She'll be happy, I'm sure.

That's all for now. Write back soon – Christmas is coming!

Yours,

Santa

Dear Lily,

Thank you for the letter. It was nice of you to drop me a line.

The whole year around I have a lot of cares and worries in my barony. Also, every day I visit the post office, read the letters that come to me in a great multitude. I heartily rejoice when I get amazing craftworks and wonderful pictures made by children. Thank you for your letter too. I was touched!

It's very good that you love your friends and family. Don't forget about them and try to do more good acts. It's great when someone becomes happy because of you and rejoices with you. You are a very nice and kind girl. And, of course, your friend will get a Christmas gift but you also won't remain without it.

I wish you a Merry Christmas, Lily! Let this year always find a place for good deeds because when you are good, you are in peace with yourself. Let your face always be shining with a happy

smile. Then, chagrin will melt away like snowflakes. And I will always be there with you and help you by my magic. I hope that our friendship will last forever. I invite you and your friend to my fairy country Lapland. I am waiting for you!!!

That's all for now. Write back soon.

With love,

Santa Claus

Hello, dear Lily!

I read your letter. For the whole year, I have been watching your progress. And I'm pleased with you. I have also been watching the progress of your friend. You are just great! I heard that you helped an old neighbor lady Mrs. Wilson, and in gratitude she treated you an apple pie. At school, you are good too. It is nice that you help your friends at any time.

Here with my friends I have prepared gifts for you. My friends deer will help me to deliver the gifts to all the children quickly and on time.

Merry Christmas, Lily! And I wish you joy!

Your Santa Claus.
